

# BG

## **NEW BG SPARK PLUG FOR G3500 ENGINES**

Robust iridium disc design provides more electrode material...

In fact, more than twice the amount of some competitive spark plugs.

Only BG offers a centrifugally cast internal silver spindle to achieve a colder running spark plug.

And only BG offers you a spark plug reconditioning program that will save you thousands of dollars!

**REDUCE OPERATING COSTS  
NOW WITH BG QUALITY  
SPARK PLUGS!**
